

Punctuation

POW

Play **Punctuation Pow** to practice identifying ending punctuation (period, exclamation point, question mark).

The object of the game is to be the first player to get rid of all of your sentences. Attach the two game board pages together. Each player is dealt five sentences. Roll a die and travel that many spots on the game board. When you land on a punctuation mark, read your sentences and determine if one of those sentences should end in that punctuation. If you have a matching sentence, you can discard it from your hand! If you land on a POW square, you must pick up an additional sentence.

The first player to get rid of all of their sentences is the winner.

After game play, complete the worksheet.
